3. Corporate Members intending to send their authorized representative to attend the meeting are requested to send to the Company, a certified copy of the Board resolution authorizing their representative to attend and vote on their behalf at the meeting.

STEEL STRIPS WHEELS LIMITED

4. Members / proxies / authorized representatives should bring the duly filled Attendance Slip enclosed herewith to attend the meeting. Route map of the venue of the Meeting (including prominent land mark) is annexed to the notice.
5. In case of joint holders attending the meeting, only such joint holder who is higher in the order of the names will be entitled to vote.
6. The Register of Members and Share Transfer Books of the Company will remain closed from **24.09.2019 to 30.09.2019** (both days inclusive) for the purpose of AGM and for determining the names of members entitled to dividend, if declared at this meeting.
7. The dividend, as recommended by the Board of Directors, if declared at this AGM will be paid within a period of 30 days from the date of declaration, to those members whose name will appear on the register of members/depository records as at the closing hours of business on **23.09.2019**.
8. Reserve Bank of India has introduced National Electronic Clearing Service (NECS) to facilitate credit of dividend directly to the shareholder's bank account. This facility eliminates loss of dividend warrants sent by post due to pilferage in transit, delay in receipt of dividend warrants and ensures quick credit of the dividend. Members holding shares in electronic form may note the bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend. The Company or its Registrar and Transfer Agents cannot act on any request received directly from the members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant of the members. Members holding shares in physical form and desirous of either registering bank particulars or changing bank particulars already registered against their respective folios for payment of dividend are requested to write to Company/ Registrar and Transfer Agents of the Company.
9. Members holding shares in electronic form are requested to intimate immediately any change in their address to their Depository Participants with whom they are maintaining their De-mat accounts. Members holding shares in physical form are requested to advise any change in their address along with Pin code number and proof immediately to the Company/ Registrar and Transfer Agents of the Company.

The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company/Registrar and Share Transfer Agent.

In reference to SEBI circular no. SEBI/HO/MIRSD/DOP1/CIR/P/2018/73 dated April 20, 2018, in which SEBI has directed all the listed entities to record the PAN and Bank Account Details of all their shareholders holding shares in physical mode through their RTA. Accordingly, your Company has initiated steps for registering the PAN details of all the shareholders (including joint holders, if any) and the Bank Account Details of the registered shareholders. Members are requested to submit their KYC details with the Registrar and Share Transfer Agent of the Company.

Electronic copy of the Annual Report for 2018-19 is being sent to all the members whose email IDs are registered with the Company/Depository Participant(s) unless any member has requested for a physical copy of the report. For members who have not registered their email address, physical copies of the Annual Report for 2018-2019 are being sent by the permitted mode.

Members who have not registered their e-mail addresses so far are requested to register their e-mail addresses with Registrar and Share Transfer Agents of the Company/ Depository Participant (s), for receiving all communication including Annual Report, Notices, Circulars, etc from the Company electronically.

Members may also note that the Notice of the 33rd AGM and the Annual Report for 2018-19 will also be available on the Company's website www.sswindia.com for their download. The physical copies of the aforesaid documents will also be available at the Company's Registered Office for inspection during normal business hours (9.00 am to 5.00 pm) on working days.

10. SEBI Notification No. SEBI/LAD-NRO/GN/2018/24 dated June 8, 2018 and further amendment vide Notification No. SEBI/LAD-NRO/GN/2018/49 dated November 30, 2018, requests for effecting transfer of securities (except in case of transmission or transposition of securities) shall not be processed from 01.04.2019 unless the securities are held in the dematerialized form with the depositories. Therefore, shareholders are requested to take action to dematerialize the Equity Shares of the Company, promptly.
- M/s Link Intime India Pvt. Limited, at Noble Heights 1st floor, Plot No. NH-2, C-1 Block, LSC Near Savitri Market, Janakpuri, New Delhi 110058 are acting as the common agency to carry out the Dematerialization and physical transfer of shares.
11. The Company is maintaining the "INVESTORS SERVICE CELL" at its Head Office at SCO 49-50, Sector 26, Madhya Marg, Chandigarh 160019.
 12. Members having any queries relating to Annual Report are requested to send their queries at least seven days before the date of the Meeting.
 13. Members can inspect the register of directors and key managerial personnel and their shareholding, required to be maintained under Section 170 of the Act, and register of contracts or arrangements in which the directors are interested, to be maintained under Section 189 of the Act, during the course of the meeting at the venue.
 14. This year the Unpaid/Unclaimed Dividend for the financial year 2011-12 shall be transferred to the "INVESTORS EDUCATION AND
-

PROTECTION FUND” (IEPF). The due date of such transfer is 04.11.2019. Members who have not encashed their dividends are requested to claim the dividend from the Company immediately.

As per Section 124(6) of the Act read with the IEPF Rules as amended, all the shares in respect of which dividend has remained unpaid/unclaimed for seven consecutive years or more are required to be transferred to Demat Account of IEPF Authority. The Company has sent notice to all the members whose Dividends are lying unpaid / unclaimed against their name for seven consecutive years or more. Members are requested to claim the same on or before 03.11.2019. In case the dividends are not claimed by the said date, necessary steps will be initiated by the Company to transfer shares held by the members to IEPF without further notice. Please note that no claim shall lie against the Company in respect of the shares so transferred to IEPF. It may also be noted that unpaid/unclaimed dividend for the financial year 2010-11 has been transferred by the Company to IEPF Authority.

The Members/Claimants whose shares and unclaimed dividends have been transferred to IEPF may claim the same from IEPF by submitting an online application in the prescribed Form IEPF-5 available on the website www.iepf.gov.in and sending a physical copy of the same duly signed to the Company along with the requisite documents enumerated in the Form IEPF- 5. Members can file only one consolidated claim in a financial year as per the IEPF Rules.

Pursuant to the provisions of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended from time to time the Company has uploaded the details of unpaid and unclaimed amounts lying with the Company as on 28.09.2018 (date of Last Annual General Meeting) on the website of the Company (www.sswindia.com) and also on the website of the Ministry of Corporate Affairs (www.mca.gov.in).

The cut-off date for the purpose of determining the Members eligible for participation in remote e-voting (e-voting from a place other than venue of the AGM) and voting at the AGM is 23.09.2019. Please note that the Members can opt for only one mode of voting i.e., either by voting at the meeting or remote e-voting. If Members opt for remote e-voting, then they should not vote at the Meeting. However, once e-voting on a resolution is cast by a Member, such Member is not permitted to change it subsequently or cast the vote again. Members who have cast their vote by remote e-voting prior to the date of the Meeting can attend the Meeting and participate in the Meeting but shall not be entitled to cast their vote again.

Shashi Bhushan Gupta (DIN: 00154404), as Non-Executive Independent Directors on the Board of the Company, not liable to retire by rotation, to hold office for a term of five consecutive years commencing from 01.10.2019 to 30.09.2024.

The Company has received notice in writing from a member under Section 160 of the Act proposing the candidature of Sh. Shashi Bhushan Gupta for the office of Non-Executive Independent Director of the Company. The Company has also received declaration from Sh. Shashi Bhushan Gupta, that he meets the criteria of independent directorship as mentioned under the Act and the SEBI Listing Regulations, presently applicable and is not debarred from holding the office of Director pursuant to any Order issued by Securities and Exchange Board of India (SEBI) or any other authority.

Sh. Shashi Bhushan Gupta is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given his consent to act as a Director.

In the opinion of the Board, Sh. Shashi Bhushan Gupta fulfils the conditions for appointment as an Independent Director as specified in the Act and the Listing Regulations and he is independent of the management and possesses appropriate skills, experience and knowledge.

A brief resume of Sh. Shashi Bhushan Gupta, the nature of his expertise, Directorships held in other companies, Committee Memberships/Chairmanships, his shareholding etc., is separately annexed hereto.

A copy of the draft letter of appointment of Sh. Shashi Bhushan Gupta, setting out terms and conditions of appointment is available for inspection by the Members of the Company at the Registered Office of the Company between 10.00 a.m. to 12.00 noon, on all working days (except Saturdays, Sundays and Public Holidays), up to the date of the AGM and shall also be made available for inspection at the Corporate Office of the Company situated at SCO 49-50, Sector 26, Madhya Marg, Chandigarh 160019 as well as during the AGM at the venue thereof.

None of the Directors / Key Managerial Personnel of the Company / their relatives are in any way concerned or interested financially or otherwise in the resolution set out at Item No 6 of the Notice.

The appointment of Sh. Shashi Bhushan Gupta, as Non-Executive Independent Director of the Company, shall be effective upon approval by members in the AGM. The Board recommends the Ordinary Resolution set out at Item No. 6 of the Notice for approval of the Members.

Item 7 and 8

Pursuant to the completion of the term of office of the independent directors of the Company as stated above in the explanatory statement of Item No. 6, the Company is required to appoint Non-Executive Independent Directors on the Board of the Company.

The Board of Directors of the Company, pursuant to the provisions of Sections 149, 150 and 152 read with Schedule IV and other applicable provisions, if any, of the Act and the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 17(1A) and other applicable regulations of the SEBI Listing Regulations (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force) and on the basis of recommendation of the Nomination and Remuneration Committee, has proposed to the Members of the Company, appointment of Sh. Ajit Singh Chatha (DIN: 02289613), aged 83 years (date of birth 14.01.1936) and Sh. Surinder Singh Viridi (DIN: 00035408), aged 77 years (date of birth 22.09.1942) as Non-Executive Independent Directors on the Board of the Company, not liable to retire by rotation, to hold office for a term of five consecutive years commencing from 01.10.2019 to 30.09.2024.

Pursuant to Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('LODR'), as amended vide SEBI LODR (Amendment) Regulations, 2018 w.e.f. 01.04.2019, no listed entity shall appoint a person or continue the directorship of any person as a non-executive director who has attained the age of seventy five years unless a special resolution is passed to that effect and justification thereof is indicated in the explanatory statement annexed to the notice for such appointment.

Accordingly, special resolutions are proposed to take shareholders' approval for appointment of Sh. Ajit Singh Chatha and Sh. Surinder Singh Viridi as Non-Executive Independent Directors for a term of five consecutive years w.e.f. 01.10.2019 to 30.09.2024.

A brief justification for the appointment of the above said directors as Non-Executive Independent Directors of the Company with effect from 01.10.2019 is as under:

Sh. Ajit Singh Chatha is a retired IAS officer. He has worked as Chief Secretary to the Government of Punjab during his last tenure of service besides holding several different assignment and positions during his service. He is B.E. (Hons.) in Electrical Engineering. He is having vast experience in General Management and Administration.

Sh. Surinder Singh Viridi, is an Engineer (F.I.E.) by qualification and is a successful Industrialist for over three decades. He has been an Inspirational leader who has extensive experience in various functional areas, contribution in strategic initiatives, upholding governance practices and has the ability to advise the management on several aspects of Company's business.

The Board is of the view that Sh. Ajit Singh Chatha and Sh. Surinder Singh Viridi are independent of the Management and possess appropriate skills, experience and knowledge. Having regard to their vast knowledge and expertise, the Nomination and Remuneration Committee has recommended their appointment as a Non-Executive Independent Director on the Board of the Company.

The Board is also of the opinion that their association would be beneficial to the Company. So it is desirable and advisable to avail their services as Independent Directors.

The Company has received notice in writing from a member under Section 160 of the Act proposing the candidature of Sh. Ajit Singh Chatha and Sh. Surinder Singh Viridi for the office of Non-Executive Independent Director of the Company. The Company has also received declarations from Sh. Ajit Singh Chatha and Sh. Surinder Singh Viridi that they meet the criteria of independent directorship as mentioned under the Act and the SEBI Listing Regulations, presently applicable and are not debarred from holding the office of Director pursuant to any Order issued by Securities and Exchange Board of India (SEBI) or any other authority.

Sh. Ajit Singh Chatha and Sh. Surinder Singh Viridi are not disqualified from being appointed as Directors in terms of Section 164 of the Act and has given their consent to act as a Director.

A brief resume of the above said Directors, the nature of their expertise, Directorships held in other companies, Committee Memberships/Chairmanships, their shareholding etc. are separately annexed hereto.

Copies of the draft letter of appointments of Sh. Ajit Singh Chatha and Sh. Surinder Singh Viridi, setting out terms and conditions of their appointment are available for inspection by the Members of the Company at the Registered Office of the Company between 10.00 a.m. to 12.00 noon, on all working days (except Saturdays, Sundays and Public Holidays), up to the date of the AGM and shall also be made available for inspection at the Corporate Office of the Company situated at SCO 49-50, Sector 26, Madhya Marg, Chandigarh 160019 as well as during the AGM at the venue thereof.

None of the Directors / Key Managerial Personnel of the Company / their relatives are in any way concerned or interested financially or otherwise in the resolution set out at Item No. 7 and 8 of the Notice.

The appointment of above said persons, as Non-Executive Independent Directors of the Company, shall be effective upon approval by the members in the AGM. The Board recommends the Special Resolutions set out at Item No. 7 & 8 of the Notice for approval of the Members.

ITEM NO. 9

The Board of Directors of the Company, on the recommendation of the Audit Committee, has approved the appointment of M/s. Aggarwal Vimal & Associates, Cost Accountants having Firm Registration Number: 000350, as Cost Auditors to conduct the audit of the cost records relating to Hot Rolling Mill (HRM Division) of the Company for the financial year ending 31.03.2020 at a remuneration of Rs. 50,000/- (Rupees Fifty Thousand only) (plus Goods and Services Tax and reimbursement of out of pocket expenses).

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014 (including any statutory modifications or re-enactments thereof for the time being in force), the remuneration payable to the Cost Auditors is required to be ratified by the Members of the Company.

Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out in the Item No. 9 of the Notice for ratification of the remuneration payable to the Cost Auditors for conducting the audit of the cost records of the Company for the financial year 2019-20.

None of the Director and Key Managerial Personnel of the Company and their respective relatives is concerned or interested, financially or otherwise, in this resolution.

The Board recommends the Ordinary Resolution set out at Item No. 9 of the Notice for approval of the Members.

FINANCIAL PERFORMANCE

The financial year 2018-19 started on an optimistic note driven by strong economic activity and policy level interventions. In the first half of the year, economic growth remained robust backed by fiscal stimulus and resilient Emerging Markets. However, the second half of the year was marked by volatility, weakening demand caused by trade tensions, China's slowdown, tightening financial conditions and deceleration in NBFC lending. As a result, growth in global economic expansion and trade decelerated during the financial year 2018-19.

However, amidst this scenario the total income for the year under review of your Company increased by 31.07% to Rs. 20586.50 million as compared to Rs. 15706.03 million in FY 2017-18.

In terms of Number of wheels, the Company has achieved sale of 15.71 million wheel rims during FY 2018-19 against sale of 14.49 million wheel rims during the previous year, showing an increase of 8.42%.

The Earnings Before Interest, Depreciation and Tax (EBIDTA) increased to Rs.2633.52 million in FY 2018-19 from Rs. 2136.79 million in FY 2017-18, registering a growth of 23.25%

The Depreciation and other amortization have increased to Rs. 619.23 million in FY 2018-19 from Rs. 525.74 million in FY 2017-18.

Profit before tax during the year under review has increased to Rs. 1088.85 million from Rs. 971.64 million in FY 2017-18 recording a growth of 12.06%. The profit after tax have also increased to Rs. 823.56 million from Rs. 750.91 million, showing a growth of 9.67%.

Your Company expects to see an improvement in the growth trajectory in the coming years with the passing of this global economic slump.

TRANSFER TO RESERVES

Your Company proposes to transfer an amount of Rs. 750.91 million to the General Reserve out of the amount available for appropriation.

DIVIDEND

The Board, in its meeting held on 27.05.2019, has recommended a final dividend of Rs. 4.00 (40%) per equity share of Rs. 10/- each (previous

year Rs. 4.00 per equity share) for the financial year ended 31.03.2019, subject to the approval of shareholders at the ensuing Annual General Meeting (AGM). The total cash outflow on account of dividend, if approved by the shareholders for the Current year will amount to Rs. 75.18 million (including Dividend Distribution Tax of Rs. 12.82 million) as against 75.13 million (including Dividend Distribution Tax of Rs. 12.81 million) in the previous year, which represent 9.13% of the Profit After Tax earned during the year.

SHARE CAPITAL

During the year under review, the Company has allotted 24000 Equity Shares of Rs. 10/- each on 28.07.2018 upon exercise of options by the employees of the Company under "Steel Strips Wheels Limited-Employee Stock Option Scheme, 2016" ("ESOS 2016") at an exercise price of Rs. 200/- each.

Beside above, the Company has also allotted 9450 equity shares of Rs. 10/- each on 31.12.2018 upon exercise of options by the employees of the Company under "Steel Strips Wheels Limited-Employee Stock Option Scheme, 2014" ("ESOS 2014") at an exercise price of Rs. 100/- each.

Consequent to the allotment of above stated shares, the issued and paid up Equity Share Capital of the Company increased from 155562700/- (divided into 15556270 Equity Shares of Rs. 10/- each) as on 31.03.2018 to Rs. 155897200/- (divided into 15589720 equity shares of Rs. 10/- each) as on 31.03.2019.

Pursuant to the approval of Shareholders of the Company in their Extraordinary General Meeting held on 12.05.2018, the Board of Directors of the Company in their meeting held on 26.05.2018, has allotted 7,50,000 (Seven Lac Fifty Thousand) convertible warrants ("Warrants") on preferential basis to Smt. [Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Steel Strips Wheels Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Steel Strips Wheels Limited** (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended 31.03.2019, complied with the statutory provisions listed hereunder and also that the Company has proper Board - processes and compliance mechanism in place to the extent, in the manner and subject to other reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31.03.2019 according to the provisions of:

- 1) The Companies Act, 2013(the Act) and the rules made thereunder;

CORPORATE GOVERNANCE

ABRIEF STATEMENT ON COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE:

Effective Corporate Governance practices constitute the strong foundation on which successful commercial enterprises are built to last. The philosophy of the Company in relation to Corporate Governance is to ensure transparent disclosures and reporting that conforms fully to laws, regulations and guidelines and to promote ethical conduct throughout the organization with the primary objective of enhancing stakeholders' value while being a responsible corporate citizen. The Company has always thrived towards building trust with shareholders, employees, customers, suppliers, regulators, and other stakeholders based on the principles of good Corporate Governance.

The Company has adopted SSWL's Code of Conduct for its employees, officers and directors. In addition, the Company's Independent Directors adhere to "Code for Independent Directors provided in Schedule IV of the Companies Act, 2013 ("the Act") which suitably incorporates the duties and responsibilities of Independent Directors as laid down in the Act. The Company's corporate governance philosophy has been further strengthened through Code of Conduct for Prevention of Insider Trading and the Code of Practices and Procedures for fair disclosure of Unpublished Price Sensitive Information (UPS).

The Company is in compliance with the requirements stipulated under Regulations 17 to 27 read with Schedule V and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), as applicable, with regard to Corporate Governance. This report is to be read with Board's Report and all its annexures for more clarity on Corporate Governance practices of the Company.

BOARD OF DIRECTORS

The Board of Directors ("Board") of the Company is entrusted with the ultimate responsibility of the management, formulations of policies, devising corporate strategy, general affairs, direction and performance of the Company, ensuring compliances of all applicable laws of the land in letter as well as in spirit and long term success of business as a whole. The Board has been vested with requisite powers, authorities and duties. The Board consists of optimum combination of Executive and Non- Executive Directors including Independent Directors who have wide and varied experience in the field of business, finance, education, industry, commerce and administration.

- (i) **Composition and Category of the Directors:** The Composition of the Board of your Company is in conformity with Regulation 17 of SEBI Listing Regulations read with Section 149 of the Act . As on 14.02.2019, the Company's Board consists of ten (10) Directors. Of the ten Directors, three (3) (i.e. 30%) are Executive Directors including one director belonging to promoter category. MANAGEMENT

DISCUSSION & ANALYSIS

India's GDP growth during the fiscal year 2018-19 was at 6.80%, marginally lower than CSO's advance estimate of 7%, urged the new government to take short-term measures to arrest the slowdown in the economy. There have been various investments in various sectors of the economy. The M&A activity in India reached record US\$ 129.40 billion in 2018 while Private Equity (PE) and Venture Capital (VC) investments reached US\$ 20.50 billion. Some of the important recent developments in Indian economy are as follows:

Net direct tax collection for 2018-19 had crossed Rs 10 trillion (US\$ 144.57 billion) by March 16, 2019, while goods and services tax (GST) collection stood at Rs 10.70 trillion (US\$ 154.69 billion) as of February 2019.

India's Foreign Direct Investment (FDI) equity inflows reached US\$ 409.15 billion between April 2000 and December 2018, with maximum contribution from services, computer software and hardware, telecommunications, construction, trading and automobiles.

Net employment generation in the country reached a 17-month high in January 2019. India's gross domestic product (GDP) is expected to reach US\$ 6 trillion by FY 2027 and achieve upper-middle income status on the back of digitisation, globalisation, favorable demographics, and reforms. India's revenue receipts are estimated to touch Rs 28-30 trillion (US\$ 385-412 billion) by 2019, owing to Government of India's measures to strengthen infrastructure and reforms like demonetisation and Goods and Services Tax (GST). India is also focusing on renewable sources to generate energy. It is planning to achieve 40 per cent of its energy from non-fossil sources by 2030 which is currently 30 per cent and also have plans to increase its renewable energy capacity from to 175 GW by 2022. India is expected to be the third largest consumer economy as its consumption may triple to US\$ 4 trillion by 2025, owing to shift in consumer behaviour and expenditure pattern.

Indian Automobile Market Leading Trends

India is expected to emerge as the world's third-largest passenger-vehicle market by 2021.

- It took India around seven years to increase annual production to four million vehicles from three million.
- However, the next milestone—five million—is expected in less than five years. Hitting that mark will depend on today's rapid economic development continuing.
- a projected annual GDP growth rate of 7 % through 2020-23, ongoing urbanizations, a burgeoning consuming class, and supportive regulations and policies.

Currently, the automotive sector contributes more than 7% to India's GDP. The Automotive Mission Plan 2016–26 sets an aspiration to increase the contribution to 12 %. A number of economic trends could help in meeting this target. Rapid urbanization means the country will have over 500 million people living in cities by 2030—1.5 times the current US population. Rising incomes will also play a role, as roughly 60 million households could enter the consuming class (defined as households with incomes greater than \$8,000 per annum) by 2025. At the same time, more people will join the workforce. Participation could reach 67 % in 2020, as more women and youth enter the job market, raising the demand for mobility. Some of them would leap straight into four-wheeler segment, and others will graduate from two- to four-wheelers. Over 44 % of the consuming-class households will be in 49 growth clusters—for example, Delhi is expected to have the same GDP per capita at purchasing power parity as the entire country of Russia in 2025. Cities like Delhi are a sweet spot for car manufacturers to target. Through the automotive Mission Plan, the National Electric Mobility Mission Plan (NEMMP), and other initiatives, the government seeks to achieve two objectives—facilitate long-term growth in the industry and reduce emissions and oil dependence.

In the Automotive Mission Plan 2026, the government and industry set a target to triple industry revenues, to \$300 billion, and expand exports sevenfold, to \$80 billion. To meet these aims, it is estimated that the sector could contribute more than 60 million additional direct and indirect jobs, and the result could be improved manufacturing competitiveness and reduced emissions.

For a number of years, multinationals have been using India as a hub for low-cost talent. However, in the past few years, India has also been recognized for high-quality managerial talent. Indians are starting to occupy major positions across industries such as consumer goods, automotive, pharmaceutical and banking, among others. Moreover, many such companies are also leveraging local talent for driving innovation through R&D centers. In the case of a leading global conglomerate, more than a quarter of their innovations are done by the team in India. Likewise, in the case of an automotive manufacturer, the local team of managers and engineers are working on products that will drive growth in the medium to long run.

SSWL KEY GROWTH DRIVERS

SSWL today generates close to 10% of its revenues from export markets with only steel wheel exports and the company has set its sight at an ambitious target to make this to 25% in coming 3 years by penetrating with whole host of products in US. The potential for Steel wheel markets US territory is close to Rs.2000 crores with trucks & passenger cars. Your company has undertaken large number of steel wheel development exercise to be present in 90% of the US caravan and high speed trailer market. We expect SSWL to penetrate US markets with 25-30% market share by the financial year end of 2019-20. This will help maintain the export momentum and help the company move closer to its target of 25% revenue from exports segment. SSWL is also ensuring its presence in the commercial vehicle market and have made the products ready to target this segment for a 20% market share and we expect the exports to deliver a 50% growth rate in coming 2-3 years to reach its export targets.

The US-China trade war offers once in a lifetime opportunity to grab a Rs.400-500 crores of steel wheel revenue potential for SSWL in Europe and America. SSWL is exploring all the opportunities to build the development portfolio in shortest possible time to cater to this demand which is now under the trade war impact and gives India an edge to compete and make deeper inroads in US and EU.

Indian Automobile Niche

After previous fiscal's excitement overcast fizzed away in the first half of the financial year 2018-19, auto demand slipped down south resulting into a lower single digit growth for most of the segments in FY 2018-19.

Macroeconomic factors like interest rate, inflation and good forecast monsoon lifted the demand in the first half of the recently concluded fiscal year. New model launches during auto Expo 2018 also contributed to the growth.

Sectoral Outlook

Passenger vehicle sales in India rose just 2.7% in 2018-19 as weak customer sentiment led by liquidity crunch, high vehicle prices and uncertainty revolving forthcoming elections put brakes on the sales growth in the segment.

According to SIAM data, domestic passenger vehicles (PV) sales were at 33,77,436 units in 2018-19 beating the previous record of 32,88,581 units in 2017-18. However, despite new product launches, sales failed to rev up during the second half of the last fiscal which had even prompted the industry body to lower the sales forecast for the PVs from the earlier estimate of 8-10 per cent to 6 per cent. The final figure of 2.7 per cent is even lower than that. Domestic car sales in 2018-19 were at 22,18,549 units as against 21,74,024 units in 2017-18, displaying a growth of 2.05 per cent.

Utility vehicles (UV) sales were at 9,41,461 units last fiscal as against 9,22,322 units in 2017-18, a growth of 2.08 per cent. However, exports of PVs were down 9.64 per cent at 6,76,193 units in 2018-19 as against 7,48,366 units in 2017-18. In 2018-19, two-wheeler sales rose by 4.86 per cent to 2,11,81,390 units as compared with 2,02,00,117 units in 2017-18. Commercial vehicle sales, on the other hand, rose by 17.55 per cent to cross one million sales in a financial year at 10,07,319 units as compared with 8,56,916 units. The Auto Industry is entering FY 19-20 with a lot of head winds like general elections, monsoon, fiscal tightness, global slowdown and few more domestic regulatory issues. All these issues are coming and making FY 19-20 to be a tougher year to maintain growth with a lot of focus on differentiation.

More importantly, two of the four quarters of 2019-20 is widely expected to be difficult i.e. Q1 due to the ongoing elections and Q4 because of the transition to BS-VI, the new emission norm. No BS-IV cars will be registered from April 1, 2020. This factor will continue to put a lot of purchase on hold due to the wait of new model and the manufacturers have to plan it perfectly to balance the technology changeover. The sector that employs 37 million people (direct and indirect), contributes 7% to the country's GDP and 49% to the manufacturing GDP, is staring at a multi-layered challenge.

A set of wide-ranging factors — from industry-specific challenges to policy resets and macro-economic factors to poor consumer sentiments — have converged to dent sales. Let's first look at the short-term factors. Last year, the bad news kicked off with Kerala floods. Then, in October, insurance regulator IRDAI changed its policy on insurance cover. For instance, third-party insurance cover on motorcycles now needs to be paid upfront for five years instead of one year previously. For two-wheelers, insurance cost rose by 14%, which had an adverse impact on sales. These unexpected developments meant while automakers built up inventory gearing up for the festivals, sales remained elusive. Urban India, reeling from a difficult job market, took a pause. Rural India, hurting from farm distress (over 60% of farm produce has reportedly been sold below the minimum support price), wasn't buying, either. As a result, inventory piled up, hurting everyone, especially the dealers.

Amidst low consumer sentiment throughout the industry, two-wheeler segment could muster a single digit growth in the financial year ended March 31, 2019. According to SIAM two-wheeler domestic wholesales grew by 4.86 per cent in the financial year 2018-19 at 21,181,390 units compared to 20,200,117 units dispatched in the previous fiscal. The sector survived various hurdles such as Kerala floods in August and IRDAI's orders to increase insurance premium of two-wheeler to five years at the time of buying. With the commencement of second quarter, volumes declined partly due to the high base of FY2018, capacity constraints and inventory correction by OEMs.

The Indian tractor industry witnessed a double digit growth for the third consecutive year in financial year 2018-2019, however, the pace was slowest in the last three years. In FY'2019 tractor sales grew by 10.24 per cent at 878,476 units as compared to 20.52 per cent and 15.74 per cent in FY'2018 and FY'2017 respectively. On a yearly basis the growth rate was almost halved in FY'2019 over FY'2018. The growth was marred due to weak sentiment in later part of the year as sales slipped into negative in February and March 2019 on year-on year (yoy). Tractor sales that mirrors rural sentiment was struck due to erratic rainfall coupled with delayed sowing and low production of rabi crops in the last fiscal.

For the first time, the Commercial Vehicle sector crossed one million domestic sales mark in FY 2018-19. The major demand drivers were new infrastructure projects and fleet replacement. The commercial vehicle manufacturers dispatched 1,007,319 units from their factories across India in the last fiscal compared to 856,916 units in FY'2018, registering a growth of 17.55%. The growth rate in the H2 moderated mainly due to revised axle norms, liquidity crunch and uncertainties due to upcoming general elections. The axle norm increased the freight carrying capacity of medium and heavy commercial vehicles (M&HCV) by 20% that led to lower demand for new trucks. What further trimmed the demand was the tightened liquidity scenario due to fall out of IL&FS which led to NBFC becoming cautious in lending which also dented new purchases.

Export Outlook

In the fiscal year (FY)2018-19, India's total merchandise exports registered a 9.06 percent growth to hit a new high of US\$330 billion, surpassing the earlier peak of US\$314 billion clocked in 2013-14 FY. India's total imports grew at a much higher rate at 10.41 percent, amounting to US\$514 billion.

Monitoring the evolving nature of India's imports and exports can help investors understand country's trade patterns and identify opportunities in the domestic market. Below, India Briefing analyzes India's export and import trends in FY2018-19. With tariff war happening between China and US, it gives a big opportunity to Indian exporters to make a permanent mark in US and make long term contracts for sustainable export growth.

STEEL STRIPS WHEELS LIMITED

In April-March 2019, overall automobile exports grew by 14.50 percent. While Passenger Vehicles exports declined by (-) 9.64 percent, Commercial Vehicles, Three Wheelers and Two Wheelers registered a growth of 3.17 percent, 49.00 percent and 16.55 percent respectively in April-March 2019 over the same period last year. The auto component industry is well placed to take advantage of the globalisation and is poised to take Centre stage towards Make in India initiative and make global inroads.

SSWL attained its highest exports ever in FY 2018-19 to reach Rs. 198.36 crores with the help of across the board customer base contributed towards reaching this benchmark. For FY 2019-20, SSWL expect to achieve more than 50-60% exports value growth taking more global footprints to reach highest ever exports levels for FY 2019-20. We expect US to contributed heavily towards the growth factor in FY 2019-20 and open up large opportunity for SSWL to maintain high double digit growth. Your company achieved a volume of 15.71 Lacs wheels in FY 2018-19. And we expect to reach the FY 2019-20 volume of close to 30.00 Lacs wheels to reach highest ever volumes of exports for SSWL. We expect to make deep inroads in US caravan and High speed trailers segment to target a minimum 2-3 million wheel volumes to make sure SSWL ends up with 100% car wheel plant capacity of SSWL plants towards FY 2019-20 second half.

Opportunities

US China trade war opens up a big opportunity for the Company to enter US market in all segments and this opens up a potential revenue market of close to Rs. 2000 crores for steel wheels in trucks and passenger car wheel segment. The Company is making all efforts to develop the entire range for US market and will target to increase its export by high double digits to get revenue advantage and repeat the success story of European continent.

Threats

The slowing domestic market always remain a threat as its majority share of the total revenue. Any major and continuous fall in domestic markets remains a threat to tackle. The Company is de-risking itself and building other international markets in steel wheel and also targeting domestic alloy wheel market to offset such conditions. The Company is expecting to reach 25% export revenue contribution in coming 3 years from existing 10-12%.

Financial Performance with respect to Operational Performance

Gross revenues stood at Rs. 2058.65 crores in FY 2018-19 as compared to Rs. 1570.60 crores in FY 2017-18. The company grew its revenue by 31.07% and outpaced the industry growth trends. The company maintained high revenue growth from its new plant introduction in Chennai. SSWL attained its highest ever volume 1.57 crores wheels as compared to 1.45 crores wheels with a 8.42 % volume growth. The company achieved profit before tax of Rs. 108.88 crores in FY 2018-19 as compared to Rs. 97.16 crores in FY 2017-18 witnessing a growth of 12.06%. The growth got impacted with higher finance cost due to the new plant full functioning is under way and will get to stabilize going ahead. The profit after tax for FY 2018-19 was Rs. 82.36 crores as compared to Rs. 75.09 crores in FY 2017-18 indicating a growth of 9.67%. We expect the company is maintaining all efforts to be competitive in tough auto market conditions and will try to outperform the automotive industry benchmarks.

Domestic Sales Forecast for FY 2019-20 by SIAM

India's apex industry body, Society of Indian Automobile Manufacturers (SIAM) has forecasted a single digit growth for overall vehicles sales in FY 2020, owing to rise in commodity price, election, below normal monsoon and recent repo rate cut by RBI. According to SIAM, passenger vehicle sales are projected to grow between 3-5 per cent and commercial vehicle at 10-12 per cent. The two-wheeler segment is expected to grow between 5-7 percent and three wheeler segment is pegged to grow between 7-9 percent. Driving this growth will be overall infrastructure and Gross domestic product that is estimated to grow at 7 percent during FY2020. Other reason cited for growth was pre-buying of BS-IV vehicles in FY2020 before BS-VI implementation and several new launches in the current fiscal year. The Growth factors are muted and domestic consumption theme remains conservative due to ongoing slowdown in demand scenario.

Risk & Concerns

Some of the key existing and emerging risks affecting the Company are as follows:

Risks Type	Key Risks	Impact on SSWL	Mitigation
Strategic Risk	Global Economic Scenario	Vehicle purchase across different segment has strong correlations with GDP growth. The decision to purchase a passenger vehicle comes under customers' discretionary spending (Passenger Vehicle) which is linked to their perception of business outlook. Depressed economic outlook can impact this spending and thereby constrain the Company's growth potential.	Diversified product mix, segment mix and customer mix. Target newer market segments which might provide counter-cyclical support
	Long term growth dependent on of capacity expansion	Capacities utilization across all the plants are inching up gradually and with business environment turning favorable growth in long term will be dependent on Capacity addition.	Debottlenecking exercise across all the facilities are being carried every quarter. Optimum scheduling of production across different products thereby improving yield. Possibility of setting up new lines wherein Company has project Management expertise.
Operation Risk	Supply chain disruption.	The raw material (Steel & Aluminium) accounts for 60-65% of the cost, poses a key risk as it may be subject to supply disruption and market price volatility.	The Company maintains significant integration of raw materials for its Operations. To achieve greater raw material security, company enters into long term MOU with suppliers. Development of alternate sources for uninterrupted supply of key raw material.
	Employee Productivity and retention	Employee involvement and productivity is one of the key factors to be competitive in industry. Being a labour intensive sector employee welfare assumes significance.	Company has strong commitment towards creating and providing safe working environment for its employee and stakeholders. Focused approach to retain key talent through multiple initiatives including providing cross functional access and experience. Focus on employee engagement. Increased focus on offering learning opportunities with allocation of funds for training requirements.
Financial Risk	Currency Volatility	Volatility in currency exchange movements resulting in transaction and translation exposure.	Board approved Currency hedging policies and practices in place. Close monitoring of hedging strategy by risk management committee. Quarterly assessment of foreign exchange exposure by Board.
	Debt Burden	The Company's outstanding indebtedness in an adverse environment can have significant impact on financial flexibility and business as a whole	Close monitoring of debt profile and continuous effort to bring the cost in line with industry. Continuous effort to maintain the impeccable credit history. Quarterly review of financial leverage and efforts are on to move towards industry benchmark.
	Credit Rating	Failure to maintain credit ratings could adversely affect cost of funds.	Regular exchange of information and updates with agency. Focused approach to work on areas of improvement and to build upon areas of strength. Close monitoring of triggers highlighted in rating rationale
	Social costs	SSWL's assumptions while estimating social cost like gratuity funding are subject to capital market and actuarial risks and any shortfall could put pressure on financial performance.	A framework to manage social cost risks has been deployed to ensure that obligations remain affordable and sustainable, whilst protecting the asset market exposure.
	Credit Risk	Customer default can pose a significant challenge and impact the bottom line of the Company.	Systems are in place to assess the credit worthiness of new as well as existing customers.
	Financial Fraud	Financial fraud can challenge the reputation as well existence of the Company besides denting the confidence on the systems in place.	Adequate Internal financial control system in place. Adequate accounting records are in place to safeguard the assets of Company and for preventing and detecting frauds. Vigil Mechanism in place that provides a formal mechanism for all Directors, employees and vendors of the Company to approach the Ethics Counselor/Chairman of the Audit Committee of the Board and make protective disclosures about the unethical behavior, actual or suspected fraud.
Legal Risk	Regulatory environment & compliance	The Company is subject to numerous laws, regulations and contractual commitments. Any failure to comply with same may impact the adversely.	The Company has policies, systems and procedures in place with a strong commitment from the Board and the Executive Committee towards compliance.

INTERNAL CONTROLS AND THEIR ADEQUACY

The Company has a robust internal control and audit system to provide adequate assurance regarding the effectiveness and efficiency of its systems and operations. The controls are commensurate to the needs of the organization given its size and complexity of operations. The standard operating procedures ensure compliance to local regulation and statutes as applicable to the Company. The Company strictly ensures adherence to all internal control policies and procedures as well as compliance with all regulatory guidelines.

STEEL STRIPS WHEELS LIMITED

DEVELOPMENT IN HUMAN RESOURCES

The Company has continuously adopted structures that help in attracting best external talent and promote internal talent to take higher roles and responsibilities. The Company's people centric focus is providing an open work environment fostering continuous improvement and development among the employees of the Company. The Company provides a holistic environment where employees get opportunities to realize their potential. Company's performance driven culture helps and motivates employees to excel in their respective areas and progress within the organization. The Company has a structured appraisal system based on key result areas (KRAs) for employees belonging to Manager and above category. As on 31.03.2019, the Company had 2644 permanent employees on the rolls of the Company.

SEGMENT REPORTING

The Company is primarily engaged in the manufacturing business of steel wheel and alloy wheel rims catering to different segment of automobile industry. The inherent nature of activities is governed by the same set of risk and returns; hence these have been grouped as a single segment. The said treatment is in accordance with the principle enunciated in the Accounting Standard on Segment Reporting (AS 17).

INDEPENDENT AUDITORS'

REPORT

To the Members of
Steel Strips Wheels Limited

Report on the Ind AS Financial Statements

1. We have audited the accompanying Ind AS financial statements of **Steel Strips Wheels Limited** ("the Company"), which comprise the Balance Sheet as at **31 March 2019**, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements, that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act; safeguarding the assets of the Company; preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent, design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

STEEL STRIPS WHEELS LIMITED

Annexure A to the Independent Auditors' Report of even date to the members of Steel Strips Wheels Limited, on the financial statements for the year ended 31st March 2019

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of verification of the fixed assets is reasonable having regard to the size of the Company and the nature of its assets.
- (c) The title deeds of immovable properties are held in the name of the company.
- (ii) The management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies between physical inventory and book records were noticed on physical verification.
- (iii) The Company has not granted any loan, secured or unsecured to companies, firms or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clauses 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the said Order are not applicable to the company.
- (iv) The Company has not granted any loan or made any investments, or provided any guarantees or security to the parties covered under section 185 and 186. Therefore, the provisions of clauses 3(iv) of the said Order are not applicable to the company.
- (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended) . Accordingly, the provisions of clause 3(v) of the said Order are not applicable to the company.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, related to the manufacturing activities, and are of the opinion that prima facie, the specified accounts and records have been made and maintained for Hot Rolling Mill (HRM) division. We have not, however, made a detailed examination of the same.
- (vii) (a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, GST, duty of customs, and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable.
- (b) The dues outstanding in respect of income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax and cess on account of any dispute, are as follows:

Name of the statute	Nature of dues	Amount (Rs)	Amount Paid Under Protest (Rs)	Period to which the amount relates	Forum where dispute is pending
..... N.A.....					

- (viii) In our opinion, the Company has not defaulted in repayment of dues to any financial institution or bank or Government or to debenture-holders during the year.
- (ix) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Money raised by way of term loans were applied for the purposes for which those are raised.
- (x) No fraud on or by the Company has been noticed or reported during the period covered by our audit.
- (xi) The Company has paid /provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act.
- (xii) As the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it, the provision of clause 3(xii)

of the order are not applicable to the company.

- (xiii) The Company has entered into transactions with related parties in compliance with the provisions of section 177 and 188 of the Act. The detail of such related party transactions have been disclosed in the financial statements as required under Indian accounting standards (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rule, 2014.
- (xiv) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of clause 3(xiv) of the order are not applicable to the company.
- (xv) The Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3(xv) of the Order are not applicable to the company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of clause 3(xvi) of the Order are not applicable to the company.

Annexure B to Independent Auditors' Report

Referred to in paragraph 10 (f) of the Independent Auditors' Report of even date to the members of Steel Strips Wheels Limited on the financial statements for the year ended 31st March, 2019.

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of Steel Strips Wheels Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the company's internal financial control over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on audit of internal financial control over financial reporting (the "Guidance Notes") and the standards on auditing deemed to be prescribed under section 143(10) of the act to the extent applicable to an audit of internal financial controls, both applicable to an audit of

STEEL STRIPS WHEELS LIMITED

internal financial controls and both issued by the ICAI. Those standards and the guidance notes require that we comply with ethical requirements and planned and performed the audit to obtain reasonable assurance about whether adequate internal financial control over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls system over financial reporting included obtaining an understanding of internal financial controls system over financial reporting, assessing the risks that material weakness exists, and testing and evaluating the design and operating effectiveness of the internal control based on the assessed risk. The procedure selected depend on the auditor's judgement, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained in our audits is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls system over financial reporting.

Meaning of Internal financial controls over financial reporting

6. A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1.) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company (2.) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorization of management and directors of the company ; and (3.) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal financial controls over financial reporting

7. Because of the Inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management over-ride of controls, material misstatements due to error or fraud may occur and not be detected. Also, projection of any evaluations of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the company has, in all material respects, an adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2018 based on the internal financial controls over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

STEEL STRIPS WHEELS LIMITED

Significant Accounting Policies for the period ended 31st March, 2019

1) CORPORATE INFORMATION

Steel Strips Wheels Limited (the Company) is a public limited Company registered in India under the Companies Act 2013 (erstwhile Companies Act 1956). Its Shares are listed on both BSE Limited (Formerly Bombay Stock Exchange Limited) and National Stock Exchange of India Ltd. (NSE). The Company is a leading manufacturer of Automotive Wheel rims.

These financial statements were approved and adopted by company's board of directors in its meeting held on 27th May, 2019.

2) SIGNIFICANT ACCOUNTING POLICY

1. BASIS OF PREPARATION

1.1 Statement of Compliance

These financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') notified under section 133 of the Companies Act 2013 (the Act) (to the extent notified), read together with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant amendment rules issued thereafter.

The financial statements up to and for the year ended 31 March 2017 were prepared in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 ('Previous GAAP').

Effective April 1, 2016, the company has adopted all the Ind As standards and the adoption was carried out in accordance with Ind AS 101, "First Time Adoption of Indian Accounting Standards, with April 1, 2015 as the transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

The accounting policies have been consistently applied by the Company and except for the changes in accounting policy discussed more fully below, are consistent with those used in the previous year.

1.2 Basis of measurement

The Standalone financial statements have been prepared under the historical convention, on the accrual basis of accounting except for certain financial instruments that are measured at fair value.

1.3 Use of estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, revenue and expenses. Actual results may differ from these estimates.

2) REVENUE RECOGNITION

Revenue is recognized to the extent that it is probable that economic benefits will flow to the Company and the revenue can be reliably measured.

A. SALE OF GOODS

Revenue from sale of goods is recognized when the significant risks and rewards of ownership in the goods are transferred to the buyer of goods as per the terms of contracts, the Company retains no effective control of the goods transferred to a degree usually associated with the ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. The Company collects CST/VAT/GST on the behalf of the Government and therefore these are not economic benefits flowing to the company. Hence they are excluded from Revenue.

The revenue up to Q1 of the Financial Year 2017-18 includes the excise duty amount that have been collected from customers, which is shown separately as expense in the statement of profit & loss as per the disclosure requirements. Post GST the tax amounts are excluded from the revenue for the reported period.

B. INTEREST INCOME

Interest income from a financial instrument is recognized when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably using EIR method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

C. OTHER INCOME

- (i) Dividend Income is recognized when the right to receive the payment is established, which is generally when shareholders approve the dividend.
- (ii) Revenue in respect of claims is recognized when no significant uncertainty exists with regard to the amount to be realized and the ultimate collection thereof.

D. Duty drawback and export incentives

Income from duty drawback and export incentives is recognized on accrual basis.

3) Leasing

As a Lessee

Leases of property, plant and equipment where the Company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of

the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other Financial liabilities, as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period. The property, plant and equipment acquired under finance leases is depreciated over the asset's useful life or over the shorter of the asset's useful life and the lease term if there is no reasonable certainty that the Company will obtain ownership at the end of the lease term. Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a Lessor

Lease income from operating leases where the Company is a lessor is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate the lessor for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

4) ACCOUNTING FOR TAXES ON INCOME

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

MAT credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the Minimum Alternative Tax (MAT) credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the profit and loss account and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

5) IMPAIRMENT OF NON FINANCIAL ASSETS

- A. At each Balance Sheet date, the carrying amount of assets is tested based on internal/external factors, for impairment so as to determine:
- The provision for impairment loss, if any; and
 - The reversal of impairment loss recognized in previous periods, if any,
- B. Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined:
- In the case of an individual asset, higher of the net selling price and the value in use.
 - In the case of a cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of the cash generating unit's net selling price and the value in use.

(Value in use is determined as the present value of estimated future cash flows discounted to their present value at the weighted average cost of Capital, from the continuing use of an asset and from its disposal at the end of its useful life).

Post impairment, depreciation is provided on the revised carrying value of the asset over its remaining useful life.

6) CASH AND CASH EQUIVALENTS

Cash and cash equivalents balances include cash in hand, fixed deposits, margin money deposits, earmarked balances with banks, other bank balances such as dividend accounts, which have restrictions on repatriation, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

STEEL STRIPS WHEELS LIMITED

7) INVENTORIES

Inventories are valued at cost or net realizable value, whichever is lower. The cost in respect of the various items of inventory is computed as under:

- a) In case of raw materials at weighted average cost plus direct expenses. The cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.
- b) In case of stores and spares at weighted average cost plus direct expenses. The cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.
- c) In case of work in progress at raw material cost plus conversion costs depending upon the stage of completion.
- d) In case of finished goods at raw material cost plus conversion costs, packing cost, excise duty (if applicable) and other overheads incurred to bring the goods to their present location and condition.

8) Financial Instrument

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Initial recognition and measurement.

Initial recognition measurement

On initial recognition, all the financial assets and liabilities are recognized at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability except trade receivables which are recognized at transaction price.

Subsequent measurement

Non-derivative financial instruments

(i) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories is subsequently measured at fair value through profit or loss.

(iv) Financial liabilities

The financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derivative financial instruments

The Company holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counter party for these contracts is generally a bank.

Although the Company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind-AS 109, Financial Instruments. Any derivative that is either not designated a hedge, or is so designated but is ineffective as per Ind-AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss.

Derivatives not designated as hedges are recognized initially at fair value and attributable transaction costs are recognized in the statement of profit and loss when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit or loss and the resulting exchange gains or losses are included in statement of profit and loss. Assets/ liabilities in this category are presented as current assets/current liabilities if they are either held for trading or are expected to be realized within 12 months after the balance sheet date.

Equity Share Capital

(i) Equity shares

Equity shares issued by the Company are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are recognized as a deduction from equity, net of any tax effects.

De-recognition of financial instruments

A financial asset is derecognized when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind-AS 109. A financial liability is derecognized when the obligation specified in the contract is discharged or cancelled or expired.

Fair value measurement of financial instruments

The fair value of financial instruments is determined using the valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Based on the three level fair value hierarchies, the methods used to determine the fair value of financial assets and liabilities include quoted market price, discounted cash flow analysis and valuation certified by the external valuer.

In case of financial instruments where the carrying amount approximates fair value due to the short maturity of those instruments, carrying amount is considered as fair value.

9) Property, plant and equipment(PPE)

Fixed assets are stated at original cost net of tax/duty credit availed, if any, less accumulated depreciation and cumulative impairment and those which have been revaluated are stated at the values determined by the valuers less accumulated depreciation and cumulative impairment. Cost of acquisition is inclusive of freight and other incidental expenses and interest on loan taken for the acquisition of qualifying assets up to the date of commissioning of assets.

Subsequent expenditure related to PPE is capitalized only when it is probable that future economic benefits associated with these will flow to the company and cost of the item can be measured reliably. All other expenses on existing fixed assets, including day to day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gain or losses arising from de-recognition of fixed assets are measured as the difference between the net disposable proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

The exchange differences arising on reporting of long term foreign currency monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, in so far as they relate to the acquisition of a depreciable capital asset, have been added to or deducted from the cost of the asset and shall be depreciated over the balance useful life of the asset.

Die Tooling, developed in-house, includes cost of material and other direct/ incidental expense on in-house development.

Tangible Assets not ready for the intended use on the date of the balance Sheet are disclosed as "capital work in progress".

Transition to Ind AS

For transition to Ind AS, The Company has elected to continue with the carrying value of all of its PPE recognised as of 01 April, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

10) DEPRECIATION / AMORTIZATION ON TANGIBLE FIXED ASSETS

Depreciation is the systematic allocation of the depreciable amount of an asset over useful life. The depreciable amount of an asset is the cost of an asset or other amount substituted for cost, less its residual value.

A. OWNED ASSETS

- (i) Pursuant to applicability of Schedule II, of Companies Act 2013, with effect from 1st April 2014, Management has reassessed the useful life of tangible assets based on the internal and external technical evaluation. The Depreciation on fixed assets is provided on straight line method in accordance with applicable Schedule of the Companies Act, 2013.
- (ii) Depreciation for addition to/deductions from, owned assets is calculated on pro-rata basis from the date of such addition or, as the case may be, up to the date on which such asset has been sold, discarded, demolished or destroyed.
- (iii) Residual values of assets have been considered at 5% of the original cost of the assets.
- (iv) Difference of Exchange Rate fluctuation on imported plant and machineries procured out of long term foreign currency loans is amortized over the residual life of relevant plant and machineries.
- (v) Depreciation on assets carried at carrying amount as on 01.04.2014 and is depreciated as per Straight line method over the remaining useful life of the assets. Further the assets whose remaining useful life are nil, has been recognized in the opening balance of retained earnings. Refer the same as transitional provision
- (vi) The depreciation calculation is based on the balance useful lives of assets and shift working. Depreciation on assets used on double shift basis have been increase by 50% for that period and Depreciation on assets used in triple shift basis have be calculated on the basis of 100% for that period, Except for assets in respect of which no extra shift depreciation is permitted (indicated by NESD in Part C of the schedule).
- (vii) Management has reassessed the useful life of plant and machineries based on the internal and external technical evaluation which is higher than useful life prescribed under the act. The reassessed useful life is tabulated as:

Location	Useful Life as per Act (in Years)	Average useful life (in years)	Balance Avg. useful Life as on 01/04/2014
Dappar	15.00	23.85	17.11

B. LEASED ASSETS

Land acquired under long term lease is classified under "Tangible Assets" and is amortized over the period of lease.

11) INTANGIBLE ASSETS AND AMORTIZATION

Intangible assets are stated at original cost net of tax/duty credit availed, if any, less accumulated amortization and cumulative impairment. Intangible assets are recognized when it is probable that the future economic benefits are attributable to the asset will flow to the enterprise and the cost of asset can be measured reliably. Intangible assets are amortized over their estimated useful life. The estimated useful life of an identifiable intangible asset is based on number of factors including the effects of obsolescence etc.

Intangible Assets not ready for the intended use on the date of balance sheet are disclosed as "intangible assets under development"

12) Borrowing

Borrowing are initially recognised at fair value, net of transaction costs incurred. Borrowing are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowing using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates. Borrowing are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income or finance costs.

Borrowing are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

13) BORROWINGS COST

Borrowing costs that are directly attributable to acquisition, construction or production of a qualifying asset are capitalized/inventorised as part of cost of such assets till such time the asset is ready for its intended use/or sale. Qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

All other borrowing costs are expensed in the period in which they are incurred.

14) Provision

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

15) Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably.

16) Employee benefits

Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Provident Fund & Employee State Insurance

Contribution towards provident fund and employee state insurance for employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

Superannuation fund

The Company have a superannuation plan for the benefit of its employees. Employees who are members of the defined benefit superannuation plan are entitled to benefits depending on the years of service and salary drawn. The Company contributes up to 12% of the eligible employees' salary or `1,00,000, whichever is lower, every year. Such contributions are recognised as an expense as and when incurred. The Company does not have any further obligations beyond this contribution.

Gratuity

The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The gratuity plan in Company is funded through annual contributions to Life Insurance Corporation of India (LIC) under its Company's Gratuity Scheme whereas others are not funded. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of government bonds. Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Past-service costs are recognised immediately in profit or loss.

Compensated Absences

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year end are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end. Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year end are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of government bonds. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in profit or loss in the period in which they arise. Past-service costs are recognised immediately in profit or loss.

17) Share-based payment arrangements

Equity-settled share-based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date. The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in the statement of profit and loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity settled share option outstanding account. Equity-settled share-based payment transactions with parties other than employees are measured at the fair value of the goods or services received, except where that fair value cannot be estimated reliably, in which case they are measured at the fair value of the equity instruments granted, measured at the date the entity obtains the goods or the counter party renders the service. For cash-settled share-based payments, a liability is recognised for the goods or services acquired, measured initially at the fair value of the liability. At the end of each reporting period until the liability is settled, and at the date of settlement, the fair value of the liability is remeasured, with any changes in fair value recognised in profit or loss for the year.

18) TRANSACTIONS IN FOREIGN CURRENCY

A) Functional and Presentation currency

The functional currency of the Company is Indian Rupee. These financial statements are presented in Indian Rupee (rounded off to lakhs).

B) Transaction and balances

The foreign currency transactions are recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

The foreign currency monetary items are translated using the closing rate at the end of each reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency shall be translated using the exchange rate at the date of the transaction. Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements shall be recognised in profit or loss in the period in which they arise.

Foreign exchange differences recorded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance cost. All other foreign exchange gains and losses are presented in the statement of profit and loss on net basis.

19) SEGMENT REPORTING

Operating segments are reported in a manner consistent with the internal reporting to the Chief Operating Decision Maker "CODM" of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segment. The Company has monthly review and forecasting procedure in place and CODM reviews the operations of the Company as a whole.

20) EARNING PER SHARE

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes and dividend on cumulative preference shares for the year) by the weighted average number of equity shares outstanding during the year. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for event of bonus issue/right issue etc; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares).

STEEL STRIPS WHEELS LIMITED

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

21) Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

22) SIGNIFICANT ACCOUNTING JUDGMENTS, ESTIMATES AND ASSUMPTIONS

In the process of applying the Company's accounting policies, management has made the following estimates, assumptions and judgments which have significant effect on the amounts recognized in the financial statement:

a) CONTINGENCIES

Judgment of the Management is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

b) ALLOWANCE FOR UNCOLLECTED ACCOUNTS RECEIVABLE AND ADVANCES

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not collectible. Impairment is made on ECL, which are the present value of the cash shortfall over the expected life of the financial assets.

c) DEFINED BENEFIT PLANS

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in future. These includes the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

d) FAIR VALUE MEASUREMENT OF FINANCIAL INSTRUMENTS

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

3 Impact of fair Valuation method on Net Profit under EPS

In March 2005, the Institutes of Chartered Accountants of India has issued a guidance note on " Accounting for Employees Share based payments" applicable to Employee based share plan, the grant date in respect of which falls on or after April 1 2005. The said guidance notes requires the Pro-forma Discloser of the impact of fair value method of accounting of Employee Stock Compensation accounting in the financial statements. Applying the fair value based method defined in the said guidance note the impact on the reported net profit and earning per share would be as follows:

ESOS 2016 Method of valuation -Fair value method

The Company has calculated the employee compensation cost using the fair value method of accounting to account for the options granted under ESOS 2016, therefore their will not be any impact on profits and EPS of the company.

ESOS 2014 Method of valuation -Intrinsic value method

a) Difference between the employee compensation cost so computed and the employee compensation cost that shall have been recognized if it had used the fair value of the options.

There is no effect of the above for ESOS 2014.

b) Impact of this difference on profits and on EPS of the Company

There is no effect of the above for ESOS 2014.

4. Weighted Average fair value of options granted under ESOS 2016 during the year is 751.65(Previous year 729.87) per option.

Note:- 48. Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's financial assets include loans, trade and other receivables, and cash & cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The company's senior management oversees the management of these risks. The company's senior management is supported by a Business Risk Management committee that advises on financial risks and the appropriate financial risk governance framework for the Company. This Business Risk Management committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedure and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each risk, which are summarised as below:

Market risk

a) Price Risk

Fluctuation in commodity price in global market affects directly and indirectly the price of raw material and components used by the Company in its products. The key raw material for the Company's business is HR Steel. The Company has arrangements with its major customers for passing on the price impact. The Company is also regularly taking initiatives like VA VE (value addition, value engineering) to reduce its raw material costs to meet targets set up by its customers for cost downs.

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long term debt obligations with floating interest rates. The Company is carrying its borrowings primarily at variable rate.

Particulars	31st March 2019	31st March 2018
Variable rate borrowings	59,466.77	61,039.21
Fixed rate borrowings	-	-
Total Borrowings	59,466.77	61,039.21

Interest rate sensitivity

For the Purpose of computing interest rate sensitivity on the above borrowings, management has estimated a reasonably possible change in interest rate as 50bps based on current as well as expected economic conditions. This analysis is based on Long Term Risk exposures outstanding at the reporting date and assumes that all other variables, in particular foreign currency exchange rates, remains constant. The period and balances are not necessarily representative of the average amounts outstanding during the periods.

Impact on Profits

	31st March 2019	31st March 2018
50 bp decrease would Increase the profit before tax by	297	305
50 bp increase would decrease the profit before tax by	(297)	(305)

c) Foreign currency risks

The company tries to manage the foreign currency risk by attaining natural hedge. The company also does selective hedging to hedge its risk associated with foreign currency and to address the timing difference in foreign currency collections & payments.

i) The derivative outstanding as at the reporting date is as follows:-

Category Wise Quantitative Data	For the Year Ended 31st March 2019 Amount in Foreign Currency

ii) Mark to market losses / (gain) on Forwards/options:

	(Rs in Lacs) For the Year Ended 31st March 2019
Mark to Market losses/(gain)	159.46

d) Credit risk

"The credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations towards the Company and arises principally from the Company's receivables from customers and deposits with banking institutions. The maximum amount of the credit exposure is equal to the carrying amounts of these receivables.

The Company has developed guidelines for the management of credit risk from trade receivables. The Company's primary customers are major Indian automobile manufacturers (OEMs) with good credit ratings. Non-OEM clients are subjected to credit assessments as a precautionary measure, and the adherence of all clients to payment due dates is monitored on an on-going basis, thereby practically eliminating the risk of default. The Company has deposited liquid funds at various banking institutions. Primary banking institutions are major Indian and foreign banks. In long term credit ratings these banking institutions are considered to be investment grade. Also, no impairment loss has been recorded in respect of fixed deposits that are with recognised commercial banks and are not past due"

STEEL STRIPS WHEELS LIMITED

Liquidity risk

The liquidity risk encompasses any risk that the Company cannot fully meet its financial obligations. To manage the liquidity risk, cash flow forecasting is performed in the operating divisions of the Company and aggregated by Company finance. The Company's finance monitors rolling forecasts of the Company's liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities / overdraft facilities at all times so that the Company does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.
